Documents:

[RoHS Certificate of Compliance \(PDF\)](#)

General

Product Family	Application Tooling
Series	T9999
Comments	ServiceGrade™ wire strip hand tools are low cost wire strip tools used in field repair for a limited number of wire strips. If a high quality tool is required or a higher volume of wire strips are required, please purchase the corresponding PremiumGrade™ crimp hand tool. A ServiceGrade™ crimp tool may or may not have a terminal locator and in some case may need the locator removed to operate properly.
Function	Cutter
