Section 1

Introduction

The “Identification Printer Product Ribbon Matrix” (TE document number 411-121005), must be consulted in conjunction with this document. This document supersedes all previous Thermal Transfer ribbon and ink technical data sheets.

Note!

Previously supplied Dot Matrix (DM) Inks, are no longer compliant to REACH regulations, and so are no longer supplied by TE Connectivity. Please download IPB 186 and IPB 209 for alternative printing methods and further information. Alternatively, please contact your local TE representative.
