

DIMENSIONS: mm

P.C.B Layout
(View from the direction A)

Mount Position: Within .15mm from P.C.B edge

**Electrical Specifications:**

- Contact Resistance: 500 mΩ Max.
- Insulation Resistance: 100M Ω Min.
- Rating: 50mA / 12V DC

Mechanical Specifications:

- Storage Temperature: -40°C to 90°C
- Operating Temperature: -30°C to 85°C

Note:

- RoHS Compliant
- General Tolerances: ±.2mm
