

### Arc Flash Hazard Signs

- Aids in compliance with Article 110.16 of the National Electric Code and NFPA 70E
- Provides employees with the highest degree of safety through proper identification and communication
- Large WARNING header, universal hazard symbols and clear, concise, hazard description
- Clearly visible and recognizable hazard information to communicate arc flash hazards present
- Multiple sizes to choose from for specific applications
- Labels are constructed of durable polyester (PPS) designed to withstand UV exposure, outdoor use, water, abrasion or vinyl material (PVS) that accepts handwritten hazard information by using Panduit permanent black marking pens

### Pre-Printed Signs
