#### Main

| Range of product                | Harmony XB5                              |
|---------------------------------|--|
| Product or component type       | Head for push-button                     |
| Device short name               | ZB5                                      |
| Bezel material                  | Black plastic                            |
| Head type                       | Standard                                 |
| Mounting diameter               | 0.87 in (22 mm)                          |
| Sale per indivisible quantity   | 1  |
| Shape of signaling unit head    | Round                                    |
| Type of operator                | Spring return                            |
| Operator additional information | Vertical mounting<br>Horizontal mounting |

## Complementary

| CAD overall width                  | 1.46 in (37 mm)  |  |
