Technical drawing of a shaft assembly. The shaft has a diameter of $\phi 2.54$ (100) at the left end and $\phi 2.54$ (100) at the right end. The total length is 88.9 (3500). The distance from the left end to the center of the first set of holes is 5.08 (200). The distance between the centers of the two sets of holes is 78.2 (3100). The distance from the center of the second set of holes to the right end is 2.54 (100). The shaft is supported by bearings, with a bearing housing diameter of $\phi 2.54$ (100) and a bearing housing length of 2.54 (100). The shaft has a keyway with a width of 0.110 (2.54) and a depth of 0.110 (2.54). The shaft is labeled with '52' and '2'.
