

Multi-International Power Plug Adapter for IEC-320-C13 Outlets

MODEL NUMBER: UNIPUGINT

Description

Tripp Lite's UNIPUGINT outlet adapter enables the connection of a wide variety of international plugs into a standard IEC 320 C13 computer interface receptacle. Direct plug-in module connects directly to a power distribution unit or power protection device outlet. Uniquely shaped output receptacle openings accept many types of international plugs, including common British, French and German types. Input IEC 320 C14 plug connection interfaces with C13 receptacle. UNIPUGINT is not a voltage converter, verify equipment voltage compatibility prior to connection.
