### Description

Tripp Lite's VESA-compliant DDR1327DCS Flex Arm Dual Desk Clamp frees up valuable space in your workstation. The unique flexible design offers an exceptional range of motion. Dual swivel arms are independently height adjustable to allow complete flexibility to position monitors to accommodate your visual needs. Increase workday productivity with flexible arms that allow monitors to be placed back to back for use by more than one person. You can bring the screen closer when you need or move out of the way when you don't and space between the monitors is also fully adjustable. It features convenient one-touch display adjustment with tilt, swivel and rotation capabilities and fits most 13- to 27-inch flat-panel displays. Its durable, all-metal frame with scratch-resistant, powder-coat finish withstands the stress of repeated use and blends easily into any decor. It comes with all necessary mounting hardware, and each mount supports weights of up to 22 lbs.
