

-
- A cross-sectional diagram of a composite material. It consists of three distinct layers. The leftmost layer is labeled 'GREEN' and has a cross-hatched pattern. The middle layer is labeled 'WHITE' and has a diagonal line pattern. The rightmost layer is labeled 'GREY' and has a vertical line pattern. A central hole is located in the GREY layer, indicated by a circle with a crosshair. Arrows point from the labels to their respective layers.
