

Technical drawing of a circular hole pattern on a rectangular plate. The plate has overall dimensions of 90 by 31. The hole pattern is 15 spaces wide at 5.08 spacing and 31 spaces high at 2.54 spacing. Two hole diameters are specified: $\phi 2.79 \pm 0.110$ (2 PLC) and $\phi 1 \pm 0.08$ (typical). The drawing includes various dimension lines, tolerances, and a position callout C-32.
