The diagram shows the orthographic projection of a mechanical part, consisting of a front view (top) and a top view (bottom), separated by a horizontal dashed line representing the ground line.

Front View (Top):

- The overall height of the part is 4.6.
- The part features a central rectangular cutout with a width of 1.6 and a height of 1.5.
- The distance from the top edge of the part to the top edge of the cutout is 1.2.
- The distance from the bottom edge of the cutout to the bottom edge of the part is 1.0.
- The distance from the right edge of the cutout to the right edge of the part is 0.9.

Top View (Bottom):

- The overall width of the part is 3.2.
- The part is symmetrical about a vertical centerline, indicated by a dashed line.
- The distance from the left edge of the part to the centerline is 1.2.
- The distance from the centerline to the right edge of the part is 1.2.
- The distance from the centerline to the right edge of the part is 0.8.
