Technical drawing of a stepped block (Fig. 1.10). The overall dimensions are 4.6 (height) and 3.2 (width). The block consists of a base plate (1) and a top plate (2). The base plate has a height of 1.2 and a width of 3.2. The top plate has a height of 1.5 and a width of 1.6. The top plate is positioned such that its left edge is 1.2 units from the left edge of the base plate, and its right edge is 0.8 units from the right edge of the base plate. The top plate is also positioned such that its bottom edge is 1.0 units from the bottom edge of the base plate. The top plate is also positioned such that its right edge is 0.9 units from the right edge of the base plate.

RoHS Compliant
