The diagram shows the orthographic projection of a mechanical part, consisting of a front view (top) and a top view (bottom), separated by a horizontal dashed line representing the ground line.

Front View (Top):

- The overall height of the part is 4.6.
- The part features a central rectangular cutout with a height of 1.5.
- The width of the part is 3.2.
- The distance from the left edge to the left side of the cutout is 1.2.
- The distance from the right side of the cutout to the right edge is 1.2.
- The distance from the bottom edge to the bottom of the cutout is 1.0.
- The distance from the top edge to the top of the cutout is 1.6.

Top View (Bottom):

- The overall width of the part is 3.2.
- The part features a central rectangular cutout with a width of 1.2.
- The distance from the left edge to the left side of the cutout is 1.2.
- The distance from the right side of the cutout to the right edge is 1.2.
- The distance from the front edge to the front of the cutout is 0.8.
- The distance from the back edge to the back of the cutout is 0.9.
