

Technical drawing of a multi-layered cylindrical component. The drawing shows a cross-section with the following dimensions and labels:

- L**: Total length of the component.
- D**: Diameter of the central section.
- 150 min (5.9 min)**: Dimension indicating a specific length or time constraint.
- ϕC min**: Minimum diameter of the central section.
- ϕB min**: Minimum diameter of the outer section.
- Callouts 1, 2, 3, 4**: Indicate specific layers or features of the component.
