

Twin Industries part# 8300SB1 and 8300SB1-LF perfectly match Twin Industries solderless breadboard part number TW-E40-1020. Project designs can easily be transitioned from a rough prototype to a permanent board.

NOTE: some DIP components and sockets may not make electrical connections in overlay mode.

FEATURES:

- Protoboard made with FR4 laminate; .031"
- Silkscreen identifies rows & columns
- Prototyping holes spaced on a 0.1" x 0.1" grid
- Part# 8300SB1-LF = lead free (gold finish)
