

PLEASE CHECK WWW.MOLEX.COM FOR LATEST PART INFORMATION

Part Number:

130057-0001

Status:

Active

Overview:

Brad® Industrial Ethernet Solutions

Description:

Brad® RJ-Lnxx™, Threaded, RJ-45 Ethernet Field-Attachable Connector for Standard Core Cable

Documents:

Drawing (PDF)

RoHS Certificate of Compliance (PDF)

|                               |                                     |
|-------------------------------|-------------------------------------|
| General                       |                                     |
| Product Family                | Field Attachable / Accessories      |
| Series                        | 130057                              |
| IP Rating                     | IP67                                |
| Overview                      | Brad® Industrial Ethernet Solutions |
| Product Name                  | Brad®, RJ-Lnxx®                     |
| Type                          | Field Attachable Connector          |
| UPC                           | 78678848445                         |
| Physical                      |                                     |
| Cable Diameter                | N/A                                 |
| Coupling Type                 | Internal Thread                     |
| Diagnostics / LEDs            | No                                  |
| Diagnostics Port              | No                                  |
| Gender                        | Male                                |
| Keyway                        | None                                |
| Material - Connector Body     | Polycarbonate                       |
| Material - Contact            | Copper                              |
| Material - Coupling Nut       | ABS                                 |
| Material - Plating Mating     | n/a                                 |
| Net Weight                    | 22.960/g                            |
| Orientation                   | Straight                            |
| Poles                         | N/A                                 |
| Temperature Range - Operating | -20°C to +80°C                      |
| Wire Size AWG                 | N/A                                 |
| Electrical                    |                                     |
| Current - Maximum per Contact | 4.0A                                |
| Voltage - Maximum             | 250V                                |
| Material Info                 |                                     |
| Old Part Number               | ENQAM315                            |
| Reference - Drawing Numbers   |                                     |
| Sales Drawing                 | SD-130057-001                       |
