# 9007ML01S0410

#### Main

| Range of product          | 9007             |
|---------------------------|------------------|
| Series name               | Miniature potted |
| Product or component type | Limit switch     |
| Device short name         | 9007MS/ML        |
| Sensor design             | Miniature        |
| Body type                 | Fixed            |
| Head type                 | Plunger head     |
| Material                  | Metal            |
| Body material             | Cast zinc        |
| Number of poles           | 1                |

## Complementary

| Complementary                                |   |
|--|---|
| Fixing mode                                  | By the body   |
| Movement of operating head                   | Linear  |
| Type of operator                             | Spring return plunger stainless steel (-)   |
| Type of approach                             | Vertical approach 1 direction   |
| Switch actuation                             | On end  |
| Contacts type and composition                | NC-NO   |
| Switch function                              | SPDT-DB   |
| Contact form                                 | Form Z  |
| Contacts material                            | Silver contacts   |
| Contact operation                            | Snap action   |
| Positive opening                             | Without   |
| Electrical connection                        | Pre-wired cable bottom  |
| Type of cable                                | SJTO cable (AWG 18), 12 ft, grey  |
| Terminals description ISO n°1                | (black-orange)NO<br>(red-white)NC<br>(green-yellow)gnd  |
| Wire insulation material                     | PVC   |
| Maximum force for tripping                   | 80 ozf  |
| [le] rated operational current               | 6 Aat 120 V AC, A300 conforming to NEMA rating designation<br>3 Aat 240 V AC, A300 conforming to NEMA rating designation<br>5 Aat 28 V DC |
| [Ithe] conventional enclosed thermal current | 10 A  |
| [Ui] rated insulation voltage                | 300 V degree of pollution 3 conforming to UL 508 300 V degree of pollution 3 conforming to CSA C22.2 No 14                                |
| Electrical durability                        | 100000 cycles   |
| Mechanical durability                        | 10000000 cycles   |
| Marking                                      | CE<br>CSA<br>UL   |
| Sale per indivisible quantity                | 1   |
| Height                                       | 1.75 in   |
| Width  | 1.56 in   |
| Depth  | 0.62 in   |
| Product weight                               | 1.2 lb(US)  |

#### **Environment**

| shock resistance     | 35 gn (duration = 9 ms) conforming to IEC 60068-2-27 |
|----------------------|--|
| vibration resistance | 10 gn (f = 751200 Hz) conforming to IEC 60529        |

| NEMA degree of protection             | NEMA 1 conforming to Nema type 250  |  |
|---------------------------------------|-------------------------------------|--|
| •                                     | NEMA 2 conforming to Nema type 250  |  |
|                                       | NEMA 4 conforming to Nema type 250  |  |
|                                       | NEMA 6 conforming to Nema type 250  |  |
|                                       | NEMA 6P conforming to Nema type 250 |  |
| IP degree of protection               | IP67 conforming to IEC 60529        |  |
| ambient air temperature for operation | -40220 °F                           |  |
| ambient air temperature for storage   | -40220 °F                           |  |
| protective treatment                  | Epoxy powder coat                   |  |
| product certifications                | CE                                  |  |
|                                       | CSA                                 |  |
|                                       | UL                                  |  |
| standards                             | LR 25490 Class 32 11 03             |  |
|                                       | E78403                              |  |
