

Technical drawing of a circular object, likely a cross-section of a pipe or a similar cylindrical component. The drawing shows concentric circles representing different layers or walls. A central cross is drawn, and a dimension line at the bottom indicates a diameter of 28.

Technical drawing of the top view of a circular component. The outer diameter is labeled as Ø43. The distance between the centers of the two screws is labeled as 33. The drawing shows two screws, each with an M3 thread. Labels 'POTTING' and 'SCREW' with arrows point to the respective parts.
