This isometric view shows the complete mold assembly. It consists of a base plate with a central cavity, a top plate with a matching cavity, and a central core. The base plate has a rectangular opening on the left side. The top plate has a rectangular opening on the right side. The central core is a long, rectangular block with a central cavity. The top plate is positioned above the base plate, and the central core is positioned between them. The assembly is shown in a perspective view, highlighting the three-dimensional structure.
