

Technical drawing of a mechanical part showing a circular cross-section. The drawing includes a vertical centerline and a horizontal reference line. A dimension line at the bottom indicates the diameter of the circular feature is $\text{Ø}12 \pm 0.2$.

Technical drawing of a stepped shaft. The shaft has a total length of 7.5 units. It features a step with a diameter of 2-Ø0.6. The distance from the left end to the start of the step is 0.5 units. The drawing includes a horizontal centerline and a vertical section line.

Technical drawing of a mechanical part. The drawing shows a cross-section of a component with a central hole. The dimensions are labeled as follows: 6.4 (total height), 4.5 (height of the central hole), 4.2 (width of the central hole), and 5.0 (width of the base).
