

WK-7 - Insertion/Extraction Kit IC - Data Sheet

WK-7 kit includes DIP IC extractors and inserters to accommodate all IC's from 8 to 40 pins. All tools that engage conductive surfaces are CMOS safe and include grounding lugs where appropriate. The kit consists of:

Extractors:

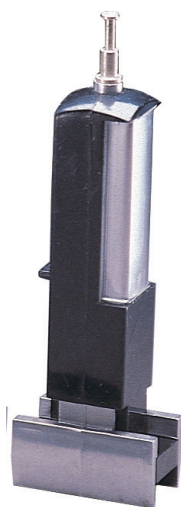

EX-1 (for 8-24 pins)
EX-2 (for 24-40 pins)

Inserters:

MOS-1416 (for 14-16 pins)
MOS-2428 (for 24-28 pins)
MOS-40 (36-40 pins)

MOS-1416

MOS-2428

MOS-40

EX-1

EX-2

Specifications

Function	Extract, Insert
Chip Package Type	DIP
Pin Count	8-40
Weight	0.418 lbs
UPC No.	811490010284
