

## RAFIX 16 - Standard contact block, 1 NC + 1 NO, latching, gold contacts, with lamp socket

## 1.20.122.051/0000

Standard contact blocks have one common contact chamber and one actuator plunger.

Contact blocks with "latching" contact function are used as switches. When combined with pushbuttons and mushroom actuators, the switching position is visible, releasing is effected by actuating again.
