### Product Description

Product Name:	Chip Quik Solder Spheres for BGAs
---------------	-----------------------------------

### Product Details

#### CHIP QUIK<sup>®</sup> Solder Spheres for BGAs

- **CHIP QUIK<sup>®</sup>** BGA solder spheres are manufactured from virgin materials to meet or exceed the requirements of building or repairing BGA packages. **CHIP QUIK<sup>®</sup>** BGA solder spheres also exceed both the IPC and MIL standards for purity levels and size tolerances. Nominal sizes are available from 3 mil to 45 mil, and custom solder shperes are also availble upon request. Many alloys are available for use in solder shperes, including several lead-free alternatives. Solder spheres are packaged and sold in 250k bottles.

#### Chip Quik Solder Spheres for BGAs

##### 63/37 Tin-Lead

SMD2165	0.012 diameter 250K bottle			
SMD2190	0.020 diameter 250K bottle			
SMD2200	0.024 diameter 250K bottle			
SMD2205	0.025 diameter 250K bottle			
SMD2215	0.030 diameter 250K bottle			

##### SAC305 Lead-Free

SMD2040	0.020 diameter 250K bottle
SMD2050	0.024 diameter 250K bottle
SMD2055	0.025 diameter 250K bottle
SMD2060	0.030 diameter 250K bottle
