**Part Number:** [1301370116](#)  
**Status:** **Active**  
**Overview:** [Watertite Wet-Location Wiring Solutions](#)  
**Description:** Super-Safeway Multiple Outlet Box, Standard Depth, 2-Sided, Feed-Thru F2 (1/2"), NEMA 5-15 Duplex Receptacles, Cover Plates

**Documents:**

[RoHS Certificate of Compliance \(PDF\)](#)      [Product Literature \(PDF\)](#)

**Agency Certification**

CSA                      LR6837  
 UL                        E46237

**General**

Product Family                      Power Distribution  
 Series                                  [130137](#)  
 Enclosure Rating                      N/A  
 GFCI Reset                              N/A  
 Mounting Style                        Portable  
 Open Neutral Relay                    N/A  
 Overview                                [Watertite Wet-Location Wiring Solutions](#)  
 Product Name                         Super-Safeway  
 Receptacle Type                       Duplex  
 Type                                      Multiple Outlet Box  
 UPC                                        78678874160

**Physical**

Cord Diameter                         7.92-15.88mm (.312-.625")  
 Cord Grip Body Size                   F2 1/2"  
 Cord Length                            N/A  
 Feed-Thru                                Yes  
 Flip Lid                                    No  
 Material - Housing                      Rubber  
 Number of Receptacles                2  
 Packaging Type                         Carton

**Electrical**

Cord Type                                N/A  
 Current - Maximum per Contact      15.0A  
 GFCI                                        No  
 Ground Continuity Monitor            No  
 NEMA Configuration                    NEMA 5-15  
 Voltage - Maximum                      125V

**Material Info**

Engineering Number                    3000F-1
