	C2	ECO-12-004856	29MAR2012	KP	LV

The diagram illustrates the exploded view of a fiber optic jack assembly. The components are labeled as follows:

- COMPANY LOGO**: Points to a small square feature on the top surface of the Jack Housing.
- JACK SUBASSEMBLY 1924129-1**: Points to the central cylindrical component with multiple concentric rings.
- FERRULE 1-413889-4**: Points to a short, hollow cylindrical tube at the end of the Jack Subassembly.
- JACK HOUSING PART NUMBER: SEE TABLE**: Points to the main rectangular housing that contains the internal components.
- LOCK 1438888-1 SEE TABLE**: Points to a U-shaped locking mechanism located inside the Jack Housing.
- LOCK WITH BODY CLIP SLOT 1438894-2 SEE TABLE**: Points to a more complex locking mechanism with a clip slot, also located inside the Jack Housing.
