

PLEASE CHECK WWW.MOLEX.COM FOR LATEST PART INFORMATION

Part Number:

155220011

Status:

Active

Overview:

Flamar Standard Cables for Industrial Automation

Description:

Flamar Sensor Cable, WSOR Jacket, Unshielded, 3 Circuits, 24 AWG, 4.50mm Diameter, 800.0m Length, Orange

Documents:

RoHS Certificate of Compliance (PDF)

Product Literature (PDF)

|                               |                                                  |
|-------------------------------|--------------------------------------------------|
| General                       |                                                  |
| Product Family                | Cable                                            |
| Series                        | 155220                                           |
| Bending Radius - Minimum      | > 7.5xOD                                         |
| Color - Cable Jacket          | Orange                                           |
| Crimp Quality Equipment       | Yes                                              |
| Geographic Area               | Global                                           |
| Material - Outer Jacket       | WSOR                                             |
| Outer Jacket Diameter         | 4.80mm (.189")                                   |
| Overview                      | Flamar Standard Cables for Industrial Automation |
| Product Literature Order No   | 987651-3992                                      |
| Product Name                  | Flamar                                           |
| UPC                           | 889056456852                                     |
| Physical                      |                                                  |
| Cable Length                  | 800.0m                                           |
| Circuits (Loaded)             | 3                                                |
| Insulation                    | TPE                                              |
| Net Weight                    | 0.010/g                                          |
| Packaging Type                | Reel                                             |
| Temperature Range - Operating | -25°C to +80°C                                   |
| Wire Size AWG                 | 24                                               |
| Wire Size mm²                 | 0.25                                             |
| Wire/Cable Type               | Signal and Control, UL AWM 21215 / CSA           |
| Electrical                    |                                                  |
| Current - Maximum per Contact | Contact Molex                                    |
| Voltage - Maximum             | 600V                                             |
| Material Info                 |                                                  |
| Old Part Number               | B49-3-1X800M                                     |
