**Part Number:** [1301480117](#)  
**Status:** **Active**  
**Overview:** [Heavy-Duty Industrial Wiring Devices](#)  
**Description:** Safeway Duplex Heavy Duty Hospital Grade Receptacle, 2 Pole/3 Wire, NEMA 5-15, 125V, White

**Documents:**

[RoHS Certificate of Compliance \(PDF\)](#)      [Product Literature \(PDF\)](#)

**Agency Certification**

CSA                      LR6837  
 UL                        E46237

**General**

Product Family                      Wiring Devices  
 Series                                  [130148](#)  
 IP Rating                                N/A  
 NEMA Configuration                NEMA 5-15  
 Overview                               [Heavy-Duty Industrial Wiring Devices](#)  
 Product Name                        Safeway  
 Receptacle Type                      Duplex  
 Specialty                               Hospital Duty  
 Type                                      Receptacle  
 UPC                                       78678885263

**Physical**

Flange                                  No  
 Flip Lid                                 No  
 Gender                                 Female  
 Length                                 N/A  
 Locking Blade                        No  
 Poles                                     2-pole/3-wire

**Electrical**

Cord Type                              N/A  
 Current - Maximum per Contact    15.0A  
 GFCI                                     No  
 Lighted Connector                    No  
 Voltage - Maximum                   125V

**Material Info**

Engineering Number                 85262DWW
